Workshop in Hamburg • 26+27.11.2025 • 9 am – 5 pm FROM RESEARCH TO INNOVATION

Take your career into your own hands in the Young Entrepreneurs in Science Workshop! Develop potential startup ideas together with other PhDs and postdocs of all disciplines, network with real-life sciencepreneurs, and learn about career options after the PhD. By looking at the golden circle framework, this workshop focuses on the WHY behind your work. Brainstorm potential use cases and help each other to take your ideas to the next level.

Who we are

Young Entrepreneurs in Science is an interactive workshop programme for PhDs and postdocs to help you ignite your entrepreneurial spirit! Together with your peers, you will learn methods and skills to realise your innovative potential.

Admission is free and no previous knowledge is required.

Workshop Goals

- Discover what it means to be an entrepreneur, explore your entrepreneurial strengths
- Meet our experienced role models, who will share their failures and successes.
- Reflect on the WHY behind your research work
- Reflect about the potential of your own research topic/idea
