

Sustainable Laboratories

Lecture Series 2025/2026

Part II:

Ventilation- the big spender: Sustainability vs Safety?

Demand-oriented and energy-efficient ventilation in research laboratories

18 February 2026, 10 a.m. | online

Michael Hinz (Researcher at HKB, MDC)

Detector assembly facility Energy Consumption Optimization

25 February 2026, 10 a.m. | online

Andreas Mussgiller (Research assistant at DESY in the CMS group)
