NETWORKING MEETING FOR EMPLOYEES WITH EXPERIENCES OF RACISM

Tuesday, 23 June 2026, 13 - 17 h
Bundesstraße 56a, Hamburg

This networking meeting addresses employees who have experienced discrimination through subtle or overt racist attributions — related to origin, religion, skin color, or language.

The workshop accompanied by Tsepo Bollwinkel creates space for exchange and for jointly assessing discriminatory situations. It examines how institutional routines can produce racist effects regardless of individual intentions, and discusses resources and empowering strategies.

Details of the venue will be provided after registration.
