ZERTIFIKAT 2024

Scientific Career and Parenthood

In a compact format, you will learn about legal rights along the WissZeitVG from Henning Rockmann (German Rector's Conference), support structures within the university, as well as personal strategies and best practices from scientists with care responsibilities.

Join us for this engaging event on balancing academia and family life. This is a family-friendly event, and children are welcome!

26.11.2026, 9:00 – 11:00h
