CALL FOR PAPERS

2nd RISKY HEALTH BEHAVIORS WORKSHOP

OCTOBER 25-26, 2019

HCHE, HAMBURG/GERMANY

The workshop aims to provide a forum for empirical research in health economics, focusing in particular on risky health behaviors such as smoking, drinking alcohol, poor diet and a lack of physical activity (resulting in obesity), drug abuse, and unprotected sex. Empirical analyses of factors affecting risky health behaviors and of the consequences of those behaviors are encouraged for submission.

KEYNOTES:

Christopher Ruhm (University of Virginia)
Jody L. Sindelar (Yale University)

FEE:

There is no participation fee for the workshop.

SUBMISSION DEADLINE:

May 31, 2019
