

Hybrids

Chances and Challenges of New Genomic Combinations

Institute of Plant Science and Microbiology

12.-14.06.2019

Keynote speakers

Rosemary Grant Princeton University, USA

Jim Mallet Harvard University, USA

Invited speakers

Richard Abbott University of St. Andrews, UK

Nick Barton Institute of Science and Technology, Austria

Kirsten Bomblies John Innes Centre, UK

Eunyoung Chae Singapore University, Singapore

Jeffrey Chen University of Texas in Austin, USA

Luca Comai UC Davis, USA

Susanne Dobler University of Hamburg, Germany

Zachariah Gompert Utah State University, USA

Paul Grini University of Oslo, Norway

Gerald Heckel University of Bern, Switzerland

Simon Martin Cambridge University, UK

Arne Nolte University of Oldenburg, Germany

Arp Schnittger University of Hamburg, Germany

Diethard Tautz MPI Plön, Germany

Mario Vallejo-Marin University of Stirling, UK

Kenneth Whitney University of New Mexico, USA
