WOMEN IN SCIENCE NOW

How to Use Science to Overcome the Remaining Obstacles to Equity

WITH AUTHOR LISA M. P. MUNOZ

Thursday, 27.06 18:00
VORTRAGSRAUM @ STABI
VMP3, 1ST FLOOR

Lisa M. P. Munoz is a science writer and the founder and president of SciComm Services, a science communications consulting firm. A former journalist and press officer, she has more than twenty years of experience crafting science content for scientists and the public alike. Munoz holds an engineering degree from Cornell University.
